

FCVS Short Memorandum - 2019

The FCVS gathers a total of 350 organizations, with which resources and services are promoted to encourage voluntary action. This task, done together with all of them, impacts a total of 80,000 volunteers. These are the figures from 2019.

Resources

- **The “Volunteer in one click” Exchange** - 236 entities have published 700 offers from which 1,502 registrations have been made
- **Training** - a total of 45 trainings were given, attended by 774 people
- **Ethical insurance** - 6,348 volunteers from 170 contracting entities have been insured
- **The Social Market** - 38 member entities, with 693 customers and 2,355 products sold
- **Let's all win** - 64 entities have received 132 donations from 32 donors
- **The Vol + competency accreditation service** - 3 people have been accredited as tutors and 3 volunteers have accredited having acquired some of the 7 competencies that the program accredits
- **The VolCor service / advice tailored to companies** - 58 advices on corporate volunteering: 22 training sessions conducted by FCVS General Services-SG, for people interested in getting started in volunteering and joining one of the federated entities. In 2019, 106 people took part. From the 4 territories it has also been done in educational centres and facilities. There were a total of 18 sessions in 15 facilities and 554 participants.

Projects

• **Active old people**

A community direct care program, which has been growing steadily for the past 8 years that links Primary Care Centers - CAPs, with beneficiaries affected by a chronic illness, dependency or social vulnerability, who find it difficult to adhere to medical treatments and adapt the schedule of visits. It links them through volunteers from the neighborhood, young and old, who accompany them; and the social entity in the neighborhood to which the FCVS derives the program, when FCVS intervention period ends.

- 7 health centres have implemented the program
- 15 active health centres have received advice on volunteering
- 35 volunteers took part
- 291 people are enrolled in the program
- 534 visits made

• **Radar management**

Collaboration with Barcelona city council in the municipal programme to detect and help lonely old people

- 242 volunteers have received our support: coordination, training and insurance.
- 10 formations
- 14 coordination meetings

- 30 advices to technical staff
- 49 coordinated neighbourhoods

- **Looks**

The program encourages the audio-visual creativity of boys and girls, who at the same time are given the opportunity to make and edit a report at the service of each entity.

A program that, with its own tools of Learning and Services - ApS since 2012, is put at the service of the educational community, and addressed to young people aged 15 to 20, within the framework of the Community Service of Department of Education of the Generalitat, and also in collaboration with the university community.

- 70 students from 2 centres participated and edited 6 videos for 6 entities

- **Inclusive Volunteering - Vol.in**

In Tarragona, 21 social organizations and 15 people have been mobilized, from non-EU countries, whom (entities and people) have been accompanied and endowed with resources to welcome / carry out volunteer work. In addition, 274 people from 26 different institutions have collaborated in raising awareness.

In Barcelona it has been deployed with the participation of 32 federated and non-federated entities from all over Catalonia, through 3 sessions.
